DETAILED ACTION

1. Receipt of the amendment filed March 07, 2006 is acknowledged. Claims 1, 3, 4, 5 and 8 have been amended. Claim 2 has been canceled. Claims 10-12 have been added. Claims 1, 3-12 are pending in the application and are presented to be examined upon their merits.

Kidstock.com allows a minor to make a stock transaction request via adult supervision. Both MainXchange and Kidstock.com fail to suggest, either separately or in combination the features of, as in claim 1, "... (f) enabling the minor to place investment choice on a wish-list located on the online website if the minor has answered correctly at least the predetermined percentage of questions about the target investment; (g) notifying the adult of the placement of the investment choice on the minor's wish-list; and (h) enabling the adult to fulfill an investment purchase wish on behalf of the minor by purchasing the target investment online through the web site."

As in claim 5, "... means for enabling the minor to access an online website and add an investment choice to an online wish-list; and means for enabling the adult to fulfill the investment choice on behalf of the minor."
